The above prices reflect hospital and anesthesia pricing only. Additional fees will apply for the surgeon, pre-operative clearances, chest x-ray/ interpretation, lab work and any other additional procedures and/or tests. You will be billed separately by the physician reading the results and by the surgeon. Please contact the surgeon's office directly for fees.

Payment is expected the day of the pre-admission visit. If payment is made by check, a separate check will be required for the hospital and a certified check for Emory Specialists Associates.

**Rates current as of 8/31/15**
